Policy Documents for Enterprise Resource Planning

The institution follows a democratic and participatory mode of governance with all stakeholders participating actively in its administration. The institution aims to provide e-Governance implementation in the college effectively through various technologies. E-Governance helps in improving transparency, providing speedy information, dissemination, improving administrative efficiency and public services in all the aspects of education. The mission is to provide new ideas and solutions in various departments of the institute for seamless data access and enabling better decision making.

Objective

- Automating various functioning activities of the college.
- Achieving efficient data access at any time from any place.
- Providing ease of access and efficiency in various functionality.
- Promoting transparency and accountability.
- Maintain data securely.

The various areas of implementation of e-Governance are Administration, Finance and Accounts, Student admission and support and Examination.

ADMINISTRATION

The administrative office handles a wide range of duties, such as maintaining records, documents, various reports, student data, compliance and correspondence with various agencies, books of accounts, registers, and logbooks. An efficient, timely, quick response, diligence, instant access to information, prompt disposal, and hassle-free administrative procedures are essential to the quality of service.

Institute use a-Square Software, HTE Sevarth, blog of joint Director Higher Education Kolhapur, online portal of Shivaji University for effective functioning of administration of institute. For monitoring in out timing of employees college has purchased biometric machine.

For safety of institute, college has installed CCTV also. Institute use email & what's app mode of communication with staff.

Finance and Account

The accounts of the institution are maintained through a- Square software. This software is very useful for tracking and maintaining all financial activity. Various useful report are generated through this software. Institute regularly update the software by paying annual fees and maintenance charge

Student Admission and Support

For admission of Students institute use the software provided by affiliating university, for this software institute pay E- Suvidha fees annually to Shivaji University. Students needs the bonafide for various purposes, institute provide the same through software. Institute has installed Wi-Fi routers to provide free internet to students and staff. Government of Maharashtra and India provide free ship and scholarships to students. Institute fills the online forms through Maha DBT portal to avail these benefits. Library is integral part of teaching learning process. Library use KOHA – ILMS software for smooth functioning of library. This software is used to issue and return of books from students. This also keep record of student in out timing.

Examination

Examination occupies a very significant place in the educational system. Institute use software provided by Shivaji University, Kolhapur for conducting examinations. For restrictions of malpractices in Exam University provide question papers through SRPD. During Covid- 19 Pandemic institute has to conduct the online exam of students, for that purpose college has purchased kid n School software**.**
