Report of the Service Learning Activity at Amdar Shashikant Shinde Mahavidyalaya,
Medha
22 to 26 August 2017

Introduction: The collaboration between Amdar Shashikant Shinde Mahavidyalaya, Medha and the Bahá'í Academy, Panchgani initiated with campaign for the students of the mahavidyalaya. Forty two students in all from 1st, 2nd and 3rd year registered and 39 students completed the Module - Moral Capabilities: Fundamental. As the part and parcel of the module a Service Learning Activity (SLA) is to be carried out by the students. Hence students were asked to discuss among themselves considering the other activities in the college and decide the dates and place for the SLA. It was decided that SLA should be conducted on 22 to 24 August 2017. The place selected for the activity was the village Karanje near Medha. Two Resource Persons from the Baha'i Academy Oriented the students in SLA and The Happy Hippo show for the Purpose.

Preparation stage: the students studied the SLA module and understood the importance of service. They understood the four stages of SLA and joy of Service. In the beginning students and college authority and Baha'i Academy, Panchgani decided a community/ village called Karanje. Then to understand the community challenges students and the Bahá'í academy Resource Persons prepared survey form. On 22nd August 2017 students visited the village and interviewed 56 families, School teachers and Sarpanch. Then analyzed the survey forms. this analysis was done in the temple of the village. The conclusion of the survey was the community faces challenge such as poor medical facilities, personal hygiene and open drainage.

As per the finding from the analysis students decided a Happy Hippo Show, to help the community to overcome the challenges. Then on 23rd August 2017 students started preparing a skit to address the community challenges. 36 students visited the village and invited people for the happy hippo show next day morning at 09:00 a.m.

On 24th August 2017 morning 36 students gathered in the community temple for the final practice of Happy Hippo Show. After the practice all student and along with the Resource Persons from the Academy and the Vice principal of the College Dr. Ghatge, Prof. Gejage and Prof. S. Shinde gathered at the village. The students with the clown with his bell went round the village, one of the students beating the drum, thus

During the people to attend the Happy Hippo Show 50 to 55 people gathered to watch the show. The Happy Hippo Show started with a prayer. The students enacted the villagers. The theme of the show was becoming an ideal village.

At the presentation the freezing point was disagreement among the villagers (in the show) on the point of solving various issues such as cleanliness, poor medical facility, drinking water, transportation etc. and quitting meeting.

Then there was interaction with community by the host. The community people came up with various solutions for the issues. The show continued after the interaction.

After the show was over the Bahá'í academy Resource Persons and the students made the action plan with the community members. It was decided that the making of an ideal village will begin with cleanliness activity on 26th of August. The villagers, the sarpanch and the students will gather in the village at 9 o'clock in the morning. They clean the whole village.
