Sub: Agreement of Memorandum of Understanding (MoU) for Iner-Library Loan (ILL)

Dear sir,

With reference to the subject cited above this is to kindly let you know that our college proposes to establish Memorandum of Understanding (MOU) for the scheme of inter Library Loan with your college library.

Our college library has variety of reading material for its users in various form such as Books, e-Reports, Audio-Video Files and Software etc. We know that no academic institution can purchase all reading material & fulfill its users information needs at their own level; Inter-library Loan is a useful service whereby a user of one library can borrow books or receive photocopies of documents that are owned by another library. Now-a-days it is being essential for every institute/library to share their reading material with other. By applying some terms and conditions, we can establish MOU between our college and begin Inter-Library Loan for the library users.

Hence, you are kindly requested to accept our proposal for the same. Kindly go through the enclosed MoU Agreement and send back one copy of agreement with your signature as your acceptance.

Thank You

Sincerely Your,
