**2020-21**

Staff Academy, Amdar Shashikant Shinde Mahavidyalaya, Medha, organized “A One Day Virtual Workshop on IPR (Intellectual Property Rights)”. This workshop was arranged in joint venture with IQAC. The objective of this workshop was to spread awareness about Intellectual rights and to demonstrate the very procedure to file a patent.

The workshop took place on Friday, 16<sup>th</sup> July, 2021 virtually by using ZOOM platform. Since it was an online workshop, time had to be specified. For the said workshop Mr. Mangesh Ghodke, Librarian, N G Acharya & D K Marathe College, Chembur, Mumbai was invited to deliver a key note address as a resource person.

The workshop started exactly at 11.00 am. The convener of the workshop Dr. Sarangpani R Shinde introduced the concept and reason behind organizing this workshop. Mr. Sunil Gaikwad introduced the resource person in a brief rather precise manner. After all the initial formalities Mr. Mangesh Ghodke delivered a very resourceful talk on the theme in two distinct sessions. Initially, in his first session, he highlighted the importance of research and innovation and explained the importance of preserverence of intellectual property. He also explained in a very effective way the concept on intellectual property. In the second session he demonstrated how to file a patent. He gave a thorough procedure regarding it and also showed his own applications. After his talk, Principal, Dr. Pramod Ghatage presented his presidential talk, he summarized Mr Ghodke’s important points and also thanked him for delivering such a talk. Dr. Sudhir Nagarkar proposed vote of thanks for the workshop. In spite of scarcity of technological aids, the said workshop was a success.

All the teaching and non teaching faculty from college, students from final year of all streams were present for the workshop and majority of students gave satisfactory feedback to the organizers which is well documented in googleforms format.

A google form was created for registration. The link for the registration was:
