After all the initial formalities Mr. Mangesh Ghodke delivered a very resourceful talk on the theme in two distinct sessions. Initially, in his first session, he highlighted the importance of research and innovation and explained the importance of preserverence of intellectual property. He also explained in a very effective way the concept on intellectual property. In the second session he demonstrated how to file a patent. He gave a thorough procedure regarding it and also showed his own applications. After his talk, Principal, Dr. Pramod Ghatage presented his presidential talk, he summarized Mr Ghodke’s important points and also thanked him for delivering such a talk.
